

ACCREDITED STUDY PROGRAMS

STUDY BRANCH: 5. 2. 57 QUALITY OF PRODUCTS

Bachelor's programs

- Management of Production Quality
- Engineering Operational Safety

Master's degree programs

- Quality of Products
- Reliability and Safety of Technical Systems
- Information and Automation Technology in Quality of Products

PhD program

- Quality of Products

STUDY BRANCH: 5. 2. 46 AGRICULTURAL AND FOREST MACHINERY

Bachelor's programs

- Agricultural Engineering
- Technology and Equipment for Agricultural Products Processing
- Agricultural Engineering and Commercial Activities

Master's degree programs

- Agricultural Engineering
- Technology and Equipment for Agricultural Products Processing
- Agricultural Engineering and Commercial Activities

STUDY BRANCH: 6. 1. 14 MECHANISATION OF AGRICULTURE AND FOREST PRODUCTION

PhD program

- Machinery and Mechanization of Agricultural Production

STUDY BRANCH: 5. 2. 3 TRANSPORT AND HANDLING MACHINES

Bachelor's program

- Operation of Transport and Handling Machines

Master's degree programs

- Operation of Transport Machines and Equipment

PhD program

- Transport Machines and Equipment

STUDY BRANCH: 5. 2. 50 PRODUCTION ENGINEERING

Bachelor's program

- Machinery for Food Production
- Renewable Energy Resources Machinery
- Operation of Production Engineering
